EDITOR'S LETTER

Rather like kids, there's nothing better than the feeling you get the moment you tuck a new issue up in bed and forget all about things for a few hours – except, well, there's not really much like kids in a typical *Mayfair*, is there? Rather than keep you up all night getting on your wick, if any of the girls this issue kept you up all night you'd probably not be complaining over much! Ahem, anyway, it's time to tuck up another issue. Hope you like it!

KIM'S GAME!

Dear *Mayfair*,
I know shagging your mate's ex-missus is a bit of a shit thing to do, but when Charlie and Kim split up, I really couldn't help myself. He's one of my best and oldest friends, but I've always had a soft spot for Kim – and a humungous hard-on!

I was gutted for him – he seemed genuinely devastated – but when she came to my flat one night for a shoulder to cry on, I definitely wasn't about to turn her away. We'd always got on really well and she said she'd like a blokes' point of view, so I didn't question her asking for my advice.

Gulping back the wine I'd offered her, she poured her heart out. I was expecting tears, though none came, and she actually seemed quite upbeat about the future. Not that I'd have told Charlie that – if I'd ever mentioned her visit, that is. I put my arm around her as comfort and we sat like that for a few minutes.

"Know what?" she said, rhetorically, "I never could stand most of his mates, but it's different with you."

I made a sort of 'hmm' noise, unsure where she was going with this, and she snuggled right up against me. I smelled her hair, which gave me the beginnings of a boner – and just as I was telling myself off, she sat up and planted a sensual kiss on my lips. Automatically kissing her back at first, I suddenly caught myself and pulled away, telling her that I felt like a cunt – I was out of order, even though they'd split up already – and how I didn't want to take advantage. Kim shushed me and snogged me again. I know I should have been stronger in my resolve, but Kim is strikingly beautiful and I had been fantasizing about her for years now.

When she started undoing her top and dropped it from her shoulders to reveal a sexy lacy bra, her tits pouring over the fabric, I realized that I was powerless to resist. I buried my face between her ample cleavage, enjoying the feel of her soft mounds, as her hand sneaked down to my crotch and began stroking my already-stiff cock through my trousers.

Coming up for air, I pulled my T-shirt off and quickly unzipped my fly, allowing her access. Kim, in turn, slipped her bra off and her perfect boobs flopped out, free from the confines of the lace. I reckoned they were the best pair I'd seen in the flesh, and the sight of them nestled there, nipples stiff and begging to be sucked, got my hard-on throbbing.

As I licked, sucked and nibbled on her nipples, Kim's delicate hand snaked into my pants and pulled my prick out, the coolness of her touch making me jump slightly. I gasped as she started wanking my length, rubbing her thumb pad over my cockeye every so often, making pre-come seep out. After a few minutes of this, I became so worked up that I was practically aching to be inside her.

Kim either sensed this, or felt the same, as she suddenly jumped up and pushed her skirt and knickers to the floor in one, smooth movement. She had a full, dark bush, and I couldn't help but move to my knees to have a taste. I ruffled her pubes, then parted her lips to reveal her wet pink slit. As I tasted her off my fingers, she sat back down, but before I got the chance to go down on her, she took the lead again, grabbing my hand and fucking my thick fingers in and out of her moist hole.

They slid back out when she let go, and I took the opportunity to replace my hand with my face, immediately pushing my tongue into her pink wetness. She tasted

Dear *Mayfair*,
Just a quick note to say how much I enjoyed the shot of Dannii on the cover of the latest issue. Indeed, I consider it to be the finest cover since 42/02 (Tiffany pulling her knickers down). The photograph has all the requisite ingredients for a cover shot - a stunning girl (shades of a young Dolly Parton?) in alluring underwear showing her figure to excellent effect. The image is a fitting riposte to Paul's letter commenting on 'the declining standards of models', a sentiment with which I imagine few readers would concur!
Cheers,
Ian, via email.
Thanks Ian! Blimey - the best cover in over nine years? Let's try and pull out another corker a bit sooner than that, shall we? - Ed.

JUST MY CUPPA TJ!

Dear *Mayfair*,
With another dazzling set of the incredible Tommie Jo to add to my well-thumbed collection, 51.10 ticked a lot of the right boxes for me. Tommie looked absolutely stunning, as per, with her gorgeous boobs, flawless arse and beautiful pussy all shown off to their best advantage by your photographer. These pictures exemplify for me why a magazine like *Mayfair* will always be better than looking at pictures on the internet! And as if that weren't enough, we were also treated to some wonderful pictures of Dannii Harwood, a wondrous example of sexually mature womanhood who kept things extra alluring by keeping her suspender belt on throughout, much to my delight. The natural beauty of Noelle was also sheer joy to behold – especially the picture (given suitable prominence on pages 78 and 79) of her casually reclining, with her legs seemingly accidentally fallen open to reveal her delicious bald pussy. Mmmm!
Alan, Hants.

gorgeous: musky but sweet and very, very moreish. I slid my tongue from her hole to her clit, pausing to pay attention to her swollen little nub, before going back again. I was pleased when Kim's moaning got louder and I felt her muscles begin to contract – a sure sign that she was coming. I doubled my efforts, bringing my fingers back into play as I sucked her clit, and was rewarded by Kim reaching her orgasm and spraying pussy juice all over my chin and in my mouth. I've never been with a squirter before and I loved it!

As I felt Kim come down from her climax, I wasted no time in replacing my tongue and fingers with my cock. I knelt between her thighs and bumped my helmet against her dripping cunt. Pushing my way between her sopping lips, I let out a long sigh. She was so tight that I was glad I'd warmed her up with my fingers first – no wonder Charlie used to brag about her sexual prowess!

I slowly eased inside her soft snatch until my balls banged against her bum. I then lifted her legs so they rested on my shoulders and I started fucking hard, ploughing into Kim's cooze with all my might. I knew I wouldn't last long – Kim was far too hot and her pussy far too tight – but I wanted to make her come again. So, using my thumb, I frigged her clit as I pummeled in and out of her juicy hole.

It wasn't long before Kim started moaning again, then wailing, then screaming, as she reached another orgasm! Timing it perfectly, I held off from coming myself until she began thrashing around and her fanny muscles trembled, then I let rip! Holding her legs by the ankles, I banged into her so hard she moved with each thrust, my balls slapping hard against her buttcheeks, until I reached nirvana. Shooting my wad of creamy jizz deep inside her twat, I climaxed hard, grunting as each spurt was expelled from my throbbing dick.

I'm ashamed to admit that Kim stayed the night and we shagged three more times – and a number of times since. She and Charlie aren't going to get back together, but I still feel like an arsehole going behind his back. I just cannot help myself, though, as Kim and I are really compatible. We get on like a house on fire, and the sex is out of this world! It turns out that she is the most adventurous lover I've had and I can't wait to see where she wants to fuck me next! Don't worry, I'll keep you updated with any particularly interesting scenarios she comes up with!

WHERE THERE'S A GILL...

Dear *Mayfair*,
My wife Gill is a 32 year old brunette, with 36DD breasts, lovely legs and a cute and recently shaved quim. She's been a randy cow ever since we first met. We've fucked in our neighbour's front garden, she's sucked my cock in all kinds of carparks and I've even fingered her juicy pussy in a crowded pub, but this was my first blow-job on the motorway at 70MPH!

We were driving along the M11 when I noticed Gill slip a hand down the front of her jeans. "Are you fingering yourself?" I enquired.

"No, silly," she smirked. "I'm just feeling my fanny where the hair used to be, it feels different, funny..."

My cock started to twitch at the mere thought of her recently shaved pussy.

"It's all smooth and soft," she said, looking at me in a cheeky way. I recognised that look, I'd seen it a million times before. It was the look she always gave me before we did something mischievous or risky...

"But you haven't seen it yet, have you?" she smiled.

"No, I haven't babe. Don't you think as your husband I should be giving it marks out of ten for appearance?"

With that she smiled and pulled her jeans and panties off. Gill was right, it looked really different, all pink and smooth with her gash now clearly visible without all that hair obscuring her wet fuck-trench. Man, was I turned-on now; my cock was bursting out of my pants like a rocket launching from a

Never let it be said we don't listen to our readers! After her *Mayfair* debut 5 issues ago we were inundated with letters asking us to get Jada Cameo back as soon as we could and that (give or take the odd couple of weeks off for the summer here and there!) is just what we've done! The Babestation lovely has gone down so well with fans that she bagged a nomination for 'Best Newcomer' in our annual awards, and we can't help thinking she's in with a bloody good shout, too! So if you missed her first time round, well silly you – but at least you've got a chance to catch up now!

Continued from page 5

silo – I was going to have to let it out soon. She lifted her feet up onto the dashboard and parted her legs. Her cunt opened up slightly, teasing me with a glimpse of her clit. "Why don't you have a feel, babe? After all, I did shave it just for you."

I didn't need asking twice, I reached over and began stroking that buff little cunt of hers, sliding my finger between clit and hole. Popping my finger into her vagina then pulling it out and sliding the wetness of it back up and over her cunt button. I stared at her luscious labia and frigged her clit faster and faster when suddenly the car swerved. I was unceremoniously brought back to reality and reminded I was doing about 70mph on the motorway and had just crossed lanes and swerved back again. Before the panic of nearly crashing set in, Gill reached over and released my throbbing cock from its locker. The horny bitch hadn't even noticed the car swerve, she just wanted cock action.

"I fucking love this cock of yours," she said and curled her fingers around its girth before plunging my shiny purple head into her mouth. I was suddenly aware that there were cars all around us and at any point one of them might see what we were doing, but I didn't care. The thrill of someone seeing Gill wanking and sucking my cock was all part of the fun – I wanted someone to see us!

Gill sucked harder on my cock, her head rising and dropping like a sex piston pumping for snake oil, slurping and groaning like a very happy wife while she pumped. A shadow cast over my side of the car and I looked to see what it was. A large lorry was now cruising next to me, the driver grinning down at Gills head bobbing in my lap. Every few seconds his gaze snapped back to the road to avoid a crash, but he was soon looking again, enjoying the filthy show my wife was giving. "Some big lorry driver is watching you sucking on my cock darling," I said into my lap.

"Oh good," she replied then giggled. With that she looked up and, still holding my cock in one hand, blew the lorry driver a kiss and returned to mouth-fuck my knob. I looked back at him and had a sneaky suspicion he was wanking his cock while driving with the other hand. The thought of him being turned-on by my wife meant it wouldn't be long before I was going to fill that sweet mouth of hers with hot come.

Taking my eye off the road for a second, I realised my wife had slipped one hand between her legs and was gently rubbing her fanny nipple while she sucked me off. I could tell she was really turned on by it because of the rhythmic noise of her moaning and slurping on my cock. She was getting close to coming so I slid my hand across her back, between her arse cheeks, and stopped just short of pushing my finger into her hole. I began rimming her brown star and gently teasing the opening with my finger. She groaned loudly – she liked having her bum played with, and I liked the results. She pounded my cock now, pulling it all the way out of her mouth to the very tip of my helmet then plummeting her head back down till her lips touched my ball bag. Gill began to shudder and moan – she was coming. I couldn't hold back any longer, either.

"I'm going to shoot my load!" I shouted, thinking she would pull away, but she didn't. I exploded my come into that willing mouth of hers – jet after jet gushed out as she shuddered and writhed beside me – her finger massaging her clit and my finger popping in and out of her arsehole. I just couldn't stop coming, she was forced to pull away to stop from gagging on my salty spunk. Another jet of hot jizz shot from my cock and a blob even made it onto the windscreen. Without thinking, I switched the windscreen wipers on to clear it away!

Finally, my cock stopped coughing juice and Gill leaned back in her seat, smiling. I heard a lorry's air horn and looked to my right. The lorry driver gave me a big thumbs up, and with a cheesy grin, he pulled away.

As Gill pulled her panties and knickers back on she asked, "So, babe, what do you think of my new look fanny?"

"I'd definitely give it one!" I replied, already looking forward to the moment when I could get out from behind this steering wheel and really go to town on her gash!

PHWOAH AND PIÈCE!

Dear *Mayfair*,
Whilst I take Paul's point about the apparent decline of models with big natural boobs (Letters 51.10) let's be honest – you really can't beat a big-busted blonde to get the sap rising! Tommie Jo's magnificent mammaries are familiar to *Mayfair* readers and don't need me to praise them here, but it was a real joy to have Dannii Harwood baring all for the first time in your magazine. She looked sensational on the cover, but this proved only to be a foretaste of the delights to come. Has, I wonder, a more beautiful model ever graced the centre pages of *Mayfair*? I particularly like the photograph on page 49 of her, which shows her hair, gorgeous face and bum to perfection. The *pièce de résistance*, however, is the centrefold, where Dannii is shown, fulsome boobs well displayed, arching her back and spreading her legs invitingly wide with (a lovely touch, this!) her discarded knickers beside her. Full-bodied naked women – you really can't beat 'em!
Euan, Cheshire.
Thanks Euan - and everyone else who wrote in praise of Dannii - we won't argue with you there. Anyone who gets the right accents in the right place in pièce de résistance must know what they're talking about - Ed.

ZARA MAE

After a stonking lingerie clad opener from MF greenhorn Jada, what better way to follow up than with an equally classy set of one of our all time favourite babes of recent times, the delectable Zara Mae? And is it us, or is she looking a bit more bronzed than of late?

"Well, I have just got back from a couple of weeks in the sun," she tells us. "It was the perfect opportunity to try and get rid of any white bits – although for some reason the pool area was generally rather crowded..."

We can't imagine why!

JAG REFLEX!

If you've come into a bit of money and want to treat yourself, how about splashing out on the spiffy new Jaguar F-Type SVR?

The F-Type SVR is Jaguar's fastest and most powerful series production road car ever made – and she's a real beauty to look at, too! The performance, for the large part, is down to the latest evolution of Jaguar's 5.0-litre supercharged V8 engine, producing a whopping 567bhp and enabling the SVR to accelerate from 0-60mph in just 3.5 seconds! But it would unfair to put this performance all down to the monster engine – there are plenty other gadgets and gizmos that help propel the SVR to a top speed of 200mph flat.

The F-Type SVR will be available as a Coupe and Convertible, and gets a few aerodynamic upgrades over the standard F-Type. There are new air inlets at the front, along with an upgraded splitter and more vents to allow more air into the new cooling system. The car also gets a revised diffuser, an active rear wing and a flat under belly for better aerodynamics. The rear wing can reduce lift by up to 80 per cent, but to reach that impressive 200mph top speed it needs to be lowered to make the car more slippery in a straight line. Unfortunately, the Convertible model won't be able to reach that speed, although topping out at 194mph is still pretty impressive. Further upgrades, including new calibrations for the gearbox, all-wheel drive, torque vectoring, adaptive dynamics, power steering and stability control systems all give the SVR a competitive edge over its rivals.

The exhaust system is a bit special too, delivering a distinctive, purposeful, harder-edged exhaust note, especially once the active valves in the rear silencers open – something which happens at lower engine speeds to enhance the F-Type SVR's performance character still further. Made from titanium (because this is the ultimate lightweight solution) the boffins at Jaguar have cut the weight of the SVR by 16kg in the exhaust section alone. The four round tailpipes are distinguished by discreet SVR branding.

High speeds require great brakes, and the SVR doesn't fall short in this department either. Fitted as standard with Jaguar's Super Performance braking system featuring large, 380mm and 376mm front and rear brake discs the SVR stops on a button. But for racing enthusiasts who want the F-TYPE SVR to decelerate even quicker, the Jaguar's Carbon Ceramic Matrix braking system can be fitted for a pretty penny. Featuring even larger 398mm and 380mm discs and six- and four-piston monobloc calipers, this system delivers exceptional braking performance with outstanding fade resistance. The wider, specially-developed 265/35/ZR20 front and 305/30/ZR20 rear tyres add exceptional levels of grip with no detriment to ride quality or refinement.

> "THE EXHAUST SYSTEM IS A BIT SPECIAL, DELIVERING A DISTINCTIVE, PURPOSEFUL NOTE."

A bespoke interior characterised by exquisite detailing and infotainment systems which support the latest wearable technology make the F-TYPE SVR even more desirable. The cabin gains cosseting 14-way SVR Performance seats finished in jet black leather with a distinctive Lozenge Quilt pattern, contrast stitching and micro-piping and headrests embossed with the SVR logo. Customers also have the option of Siena Tan or Red leather if they prefer.

The steering wheel is also unique to this model. Available in either jet leather or jet leather with suede cloth, it features black-painted spokes, and contrast stitching in a range of four colours. Behind it, there are anodised aluminium shift paddles that are larger than those in other the F-Type models. The InControl Touch and InControl

"HIGH SPEEDS REQUIRE GREAT BREAKS, AND THE SVR DOESN'T FALL SHORT IN THIS DEPARTMENT."

Touch Plus infotainment systems feature eight-inch capacitive touchscreens, intuitive user interfaces and crisp, clear 3D map displays and offer 380W Meridian and 770W Meridian surround sound audio systems respectively. Additionally, the SVR gets the latest InControl Remote function, which now supports wearable technology such as the Apple Watch. Using this device, drivers can lock and unlock the doors, check information such as fuel level or mileage, locate the car on a map, and even start the engine and set the climate control system temperature. Nothing could be simpler really and with prices starting at just £110,000 and with no limit on production numbers the Jaguar F-Type SVR is pretty attainable, providing plenty of value for your money. Go on, you know you want one... maybe not in bright orange though!

GENTLEMEN, That Reminds Me

Want a sidesplitter or three? Well move along, there's nothing for you here, we're afraid! Email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 112 Down Street, West Molesey, KT8 2TU.

A man kills a deer and takes it home to cook for dinner.

Both he and his wife decide that they won't tell the kids what kind of meat it is, but will give them a clue and see if they can guess.

"Can you help me? I have the feeling someone is always watching me!"

The kids were eager to know what the meat was on their plates, so they begged their dad for the clue.

"Well," he said, "it's what mummy calls me sometimes."

The little girl screams to her brother, "Don't eat it, it's an arsehole!"

A woman in a supermarket is following a grandfather and his badly-behaved grandson.

He has his hands full with the child screaming for sweets, biscuits – all sorts of things. The grandad is saying in a controlled voice: "Easy, William, we won't be long… easy boy."

Another outburst and she hears the grandad calmly say: "It's OK William. Just a couple more minutes and we'll be out of here. Hang in there, boy."

At the checkout the little horror is throwing items out of the trolley. Grandad says again in a controlled voice: "William, William, relax buddy, don't get upset. We'll be home in five minutes, stay cool William."

Very impressed, she goes outside to where the grandfather is loading his groceries and the boy into the car. She says, "It's none of my business, but you were amazing in there. I don't know how you did it. That whole time you kept your composure, and no matter how loud and disruptive he got, you just calmly kept saying things would be okay. William is very lucky to have you as his grandad."

"Thanks," says the grandpa. "But I am William. The little shit's name is Kevin."

A wealthy Arab Sheik was admitted to hospital for heart surgery, but prior to the surgery, the doctors needed to store his type of blood in case the need arose.

As the gentleman had a rare type of blood, it couldn't be found locally, so the call went out.

Finally a Scotsman was located who had the right blood type. The Scot willingly donated his blood for the Arab.

After the surgery, and in appreciation for giving his blood, the Arab sent the Scotsman a new BMW, 5 carats of diamonds, and £50,000. A couple of weeks later, though, there were complications and the Arab had to go through a corrective surgery.

The hospital telephoned the Scotsman who was more than happy to donate more of his blood again.

After the second surgery, the Arab sent the Scotsman a thank-you card and a box of chocolates.

The Scotsman was shocked that the Arab did not repeat his kind gesture as he had before.

He phoned the Arab and asked him: "I thought you would be generous again, that you would give me another BMW, diamonds and money ... but you only gave me a thank-you card and a box of chocolates."

To this the Arab replied: "Aye laddie, but I have Scottish blood in ma veins now."

The owner of a fancy hotel bar and restaurant has a bit of luck on the lottery and scoops the jackpot. He decides to throw a party for all his friends and lays on everything: drink, food, girls – the lot.

Being a bit weird, he decides to fill the pool with crocodiles. During the party he announces that whoever can swim across the pool and remain unharmed will get anything he wants. ANYTHING. But no-one moves. Then all of a sudden: SPLASH! Someone's in the pool. Crocodiles are all over him, but he bravely wrestles them off, fighting and dodging till he gets across, incredulously unharmed.

"Wow!" says the owner of the complex. "You were amazing! So do you want the girls now or later?"

I don't want them at all," replies the guy, looking mighty pissed off. "All I want is the bastard who pushed me!"

Q: What did the blondes right leg say to the left leg?
A: Nothing, they haven't met!

As Euan so sagely points out in the letters we've received this month, you really can't beat a big-busted blonde if you want to get the sap rising and, well, here's Cara – a woman perfectly qualified to get sap rising all round the country thanks to these piccies of her!

"Ha – thanks very much!" she grins. "I certainly hope so! I'd love to think your readers are getting off of these photos as much as I did posing for them!"

Scene from MAYFAIR

We're all for cults, here, whether it's sexually twisted tales from Spain or weird ginger aliens trying to pinch our water! Or if you'd prefer kimono capers, we've got that as well!

THE ALMODÓVAR COLLECTION

Here at *Mayfair* we clearly can't say 'No' to a boxset of films from the great modern auteurs – a bundle of 6 Woody Allen films last month, and this month it's the turn of one time Spanish firebrand Pedro Alomodóvar. As anyone who's seen any of his films will surely know, there's generally a strong female characher or two, some religion and some kinky sexuality in the mix somewhere, and he ticks all of those boxes in spades with the first film in the set, 1983's *Dark Habits*, which stars Cristina Sánchez pascual as a druggy singer who ends up in a convent with some pretty fucked up nuns – *The Sound of Music* it ain't! Other tales of druggy goings on in small-town Spain see frequent collaborator Carmen Maura portray an amphetamine-fuelled charlady (*What Have I done To Deserve This?*), a transsexual lesbian (*Law Of Desire*) and a suicidal actress (*Wonen On The Verge Of A Nervous Breakdown*). Diverting, funny and moving throughout.

THE MAN WHO FELL TO EARTH

Not many people could do otherworldly quite like the late David Bowie, and now, to mark the 40th anniversary of its original release (and coincidentally, to mark the year of Bowie's death) comes a spick and span release of Nicholas Roeg's 1976 cult classic. Bowie plays an interloper from another planet who's here to, well, pinch a load of water to take back home with him to replenish stocks there. But despite his technological advancements that see him become hugely wealthy, life on Earth proves to be a bit too complicated for him, and one way and another the mission is jeopardised, not least thanks to interventions from Candy Clark and Rip Torn. There's a crackling soundtrack (also set for release, for the first time) to help things along, and this release from Optimum nas been given a pristine 4K remastering from the original print is simply stunning. Loads and loads of extras, too. Top notch.

EMPRESSES IN THE PALACE

Ever since *Crouching Tiger, Hidden Dragon* we've rather come to expect spectacular martial arts to characterise Chinese releases, but this TV drama (which aired to huge popular acclaim in China back in 2012) is a rahter different kettle of Peking Duck. Set in a rather hard to specify age of Imperial History, it follows the story of Zhen Huan, a young girl whos taken into the court harem to be one of the Emperor's concubines. But as she soon finds out, behind all the immaculate costumes and courtly retuals, life in the Forbidden City can be every bit as challenging as that outside, as various other concubines above her in the pecking order scheme to maintain their places in the heirarchy. OK, so really it's a soap, but costumes and locations are a hell of a lot nicer to look at than Albert Square, so if you've got 9 hours to kill, it's certainly something a bit dfferent...

MARIA

Age: 24 **Vital Stats:** 34DD-26-35 5'6"

A warm welcome to *MF* newbie Marie, who, it has to be said, looks a bit tarty in that outfit of hers!

"Well thanks very much! I thought you'd like the lingerie – I'd always thought *Mayfair* readers went for that sort of thing!"

Oh, we do like the lingerie – don't you worry about that! And as for the tarty look, well we've got no objections to that, either. All in all we think you're a perfect fit for the magazine, so we'll hope to be seeing more of you soon. Not that there's much left to see, mind...

MAYFAIR Movies

Our bongo reviewer's probably seen more scruff flicks than you've had hot dinners, but he still keeps coming back for more! So we threw him these three to keep him going this month...

Wicked

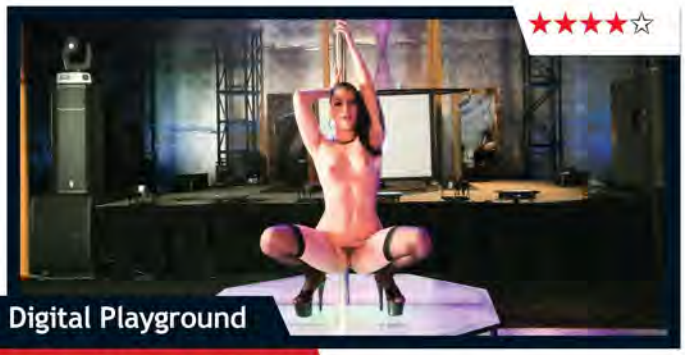
REUNITED

★★★★☆

Editor's PICK

CAST: Katy Kiss, Abella Danger, Bianca Breeze, Lauren Phillips, Cassidy Klein, Sara Luvv.

It's the age-old problem. You're engaged to one super-hot porno starlet but not entirely convinced you're doing the right thing, and then you run into an ex, who happens to be another super hot porno starlet and, well, you really don't know whether you're coming or going any more. Except, of course, you're mostly coming, along with everyone else. This time round it's poor Seth Gamble who finds himself on the horns of this particularly horny dilemma, and has to set about untangling all the emotional complexities in his life by shagging people. But before we get to that, for no clear reason, we get to watch some other people having it off first. It's all very diverting, watching the likes of Katy with her ginger minge and be-bushed Abella getting pronged, but I wanted to know how things were going to turn out for Seth. Sadly it all ends rather messily – with his ball-butter splashed all over Cassidy Klein's arse and then Sara Luvv's chops. And even then I wasn't sure which one he preferred. Frankly, I'd happily take either.



★★★★☆

Digital Playground

THE RED VIPER

CAST: Eva Lovia, Monique Alexander, Aria Alexander, Alix Lynx, Rachael Madori.

I might be sticking my neck out here a bit, but while I'm a huge fan of porno flampers, a lot of films they appear in don't necessarily play to their strengths. Acting isn't always their strongest suit, so I doff my cap to whoever came up with the idea of this film, which is set in a strip club – stripping most definitely is one of their strongest suits. Eva Lovia, puts in a little turn on the pole before heading off for a private dance which, thankfully for us and for stud Derrick Pierce, quickly evolves into a full on fuck session. Great slurping noises as she sucks on his pole lead us into a nice slurpy screw before he spuffs on her old school bush.

That takes half an hour, and there are still 5 scenes to go. Monique Alexander makes the most of Bill Bailey's thick plonker, and after some lesbiage from Aria and Rachael it's blonde Alix – a cop infiltrator! – who gets in on the action. Still, it's Rachael Madori who steals the show with an electric DP. A daft plot, really, involving a hamfisted heist, but the sex on display is sensational.

Private

FLESHY GIRLS

CAST: Amy Wild, Jasmine Black, Jessica Moore, MArina Visconti, Sirale, Terry.

If you're going to buy a bongo flick called *Fleshy Girls*, you'd probably be expecting a films that features a slew of gargantuan girls getting pronged, but having sat down and watched this one from start to finish (my finish, I mean), all I can say is that you'll be disappointed. Admittedly the girls aren't overly skinny, but they're a long way off the bunch of heffalumps you might have been hoping for. Covergirl Amy Wild, for example, boasts a cracking set of charlies, but apart from that she's perfectly normally proportioned, and is, therefore, in perfect shape to grapple with the two cocks presented to her in the opening scene. Amy closes the deal on buying a villa by insisting on fucking the estate agent and (get this!) the shirtless pool cleaning guy! Well, they subject her fleshiness to all sorts of double pokings, and she looks none the worse for any of it.

★★★★☆

Busty Sirale is, admittedly, on the slightly more comfortably built side, but still looks the part as she takes a POV pronging, her tits wobbling wonderful with each thrust, as do Jasmine's in the course of a frantic backdoor banging. Terry, meanwhile, manages to involve both a laptop and a desktop in her scene, having technical problems on the former before getting rimmed and bummed on the latter. And we haven't even got round to the DPs for Marissa and Jessica, both of which are from the top drawer.

LOTTI

Age: 24 **Vital Stats:** 32D-26-34 5'5"
Photographer: Dazglam

Well-spoken Lotti clearly grew up on the right side of the tracks, but we're not sticking her in *Mayfair* because she's posh, but because she's got such a lovely figure and face! After all, we're equal-opportunity employers here...

"I suppose I do sound a bit posh," she admits. "I went to quite a good girls' school and probably lost my home accent a bit. I wonder if any of my old teachers get *Mayfair.* They'll be in for a surprise!"

A very pleasant one, though!

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

I'm from a small town and, as the talent isn't much to write home about, I ended up marrying my childhood sweetheart, Jack. I have been completely faithful throughout most of our relationship until, that is, I started a new job and met Marcus.

While most adulteresses generally go for a bit of rough, I married mine, so I ended up going for a bit of smooth! Tall and suave, Marcus is always a gentleman – except in the sack, thankfully – whereas Jack's idea of chivalry is wafting his side of the duvet after he farts in bed. I didn't fancy Marcus at all when I first met him: I found him somewhat arrogant and vain, but after we'd worked alongside each other for a while our snidey comments slowly turned to banter, which eventually turned to some serious flirting. As the ice melted, the sexual tension heated up.

I kept myself in check for months, avoiding situations where I was alone with him, as I didn't trust myself to go gooey over his big brown eyes and chiseled face. But it was at our end-of-month work cocktail club that my resolve finally caved...

It was after last orders and there were just a few stragglers left, when Marcus offered to see me to the taxi rank. We walked arm-in-arm until we reached the queue of revellers waiting to get a ride home and it was then that he pulled me closer to him and asked, "Don't I get a goodnight kiss?"

That was all it took for my strength to dissolve and before I knew what was happening we had our tongues down each other's throats. When we finally broke for air, I whispered, "Let's go to your place."

We both knew that I was married so this would be a no-strings thing – and even if I hadn't been, as work colleagues we'd have to keep it schtum as there was a strictly no inter-office relationships rule. As we piled into a taxi and Marcus gave the driver his address I had a pang of conscience and second thoughts, but they disappeared as soon as Marcus settled back and began kissing me once more.

No sooner had the door to his flat slammed behind us, then Marcus pounced on me, snogging me hard and groping my tits through my flimsy top. I groaned, feeling up his tight bum and enjoying the way his kisses kept diverting to my neck before leading back up to my mouth again. He grabbed my hand and boldly placed it on the hard bulge in his trousers, encouraging me to rub his through the material. I obliged willingly, excited by the way his erection strained to escape its confines.

As Marcus lifted my top and freed my tits from my bra, so I unzipped his fly and pulled his todger out, my hand grasping it tightly as he moaned with pleasure. I wanked his shaft rhythmically, noticing how ragged his breathing had become, as he pulled my skirt up roughly, squeezing my buttocks, his fingertips brushing my pussy and making it tingle and juice up immediately.

Suddenly, it was like Marcus lost all control – he lifted me up and I wrapped my legs around his waist, then he carried me over to his kitchen counter, perched me on the edge and proceeded to push his fat prick inside my snatch. I gasped as he entered me, and as he instantly started pumping into me hard and fast, I put my legs around his back, once more.

> HE PULLED MY SKIRT UP ROUGHLY, HIS FINGERTIPS BRUSHING MY PUSSY AND MAKING IT TINGLE.

All he seemed to care about was coming, not that I minded of course, and as he pummeled away I knew that he'd come before I did. And sure enough, a few moments later, Marcus' body tensed and he grunted as he shot his load deep inside me. I was nowhere near climaxing and, as Marcus called me a cab, I felt slightly irked and really frustrated!

When I got home, Jack was in bed. I had a quick shower and joined him, but knew I wouldn't be able to sleep, as my sexual desire hadn't been satisfied. I began to think naughty thoughts about my husband – it wouldn't be too terrible to wake him up for a shag an hour or so after cheating, would it? I decided not, so rolled up close to him and started playing with his dick. He stirred, just as his cock did, and we were soon at it, me on top, riding the fuck out of him!

I've never stopped loving my husband, despite my infidelity, and still fancy the arse off him. Plus, he always knows how to satisfy me, and that night was no exception! I came buckets during that session, the thought of Marcus banging into me only hours previously still so fresh in my mind. I did feel a bit guilty, but as Jack screwed me from behind, I decided that it definitely hadn't done our relationship any harm – quite the opposite, in fact! It made me so horny I could have fucked Jack all night.

Despite being pretty awkward when I first saw Marcus at work the following Monday,

the ice thawed quite quickly and we were soon back to our flirtatious banter – not that either of us mentioned our quickie. I think we both realized that it was probably best left as unspoken. That was, until the next monthly cocktail club when, lo and behold, we both got pissed and decided to address the situation. It'll hardly be a surprise to hear that, at the end of the night, we ended back at Marcus' flat.

We made it to the bedroom this time (just!) and I made sure I got mine: I suggested a sixty-nine and I'm so glad I did – the guy has a magic tongue! He gulped down my juices as I screamed the place down after he'd nibbled my clit and tongue-fucked my hole… I've never been eaten out like that before!

Once I'd orgasmed I was happy and told Marcus to go for it, which he did – holding my legs back as he thrust hard into my tight pussyhole. He pulled out as he came this time, though, spraying his thick cream all over my belly. Needless to say I had a shower before I left!

I didn't wake Jack that night, but I made sure I gave him a damn good seeing to that weekend. Not just out of guilt, you understand, but because I really do still love my husband and want to please him. However, it seems that mine and Marcus' after-cocktail-club-fuck has become a regular, if unspoken, thing. I really do feel like the cat that's got the cream!

"JASON'S HUNGRY DESIRE FOR EATING ME OUT WAS TEASING MY JUICES OUT AT AN INCREDIBLE PACE; I WAS SOAKING IN PUSSY JUICE!"

It was the summer of 2013, I was at home for the whole of the college break, 19-years-old and accustomed to the life of a student, which meant that the slow, relatively quiet life of the small country town that I came from was boring me stupid, and I had only been home a week.

I was slowly going stir crazy, spending my days with only my mother, when thankfully the gardener showed up!

When I'd left for college, the gardener was a short, balding man of about 60 years, Ron. He'd worked for my parents since I was a little girl, but the man I saw in my back garden that day didn't have the body of a 60-year-old. Over breakfast my mother told me his name was Jason, Ron's nephew, who had taken over from him late last year. Jason was like a giant geometrical puzzle made flesh, his muscles interlocking tightly. All of a sudden, my boring spring break at home didn't look so boring any more!

That first day he was working, stripped to the waist, forking over flower beds, my mother was off with the girls at yet another coffee morning while I stayed home, sunning myself on the porch in my nice, new bikini. I lay there in the sun, my face hidden beneath wide-brimmed summer hat and sunglasses, for an hour and Jason had barely looked my way more than twice. Action needed to be taken.

Strolling down the lawn behind him, a glass of lemonade in my hand, I watched as the muscles of his back flexed with each turn of the fork and felt a tingling between my legs. "That looks like back-breaking work," I said to Jason's back. "I made you a little drink to help you cool off."

"Thank you," he said, turning round to look me in the face. There was one glass of lemonade and two straws, and I was drinking from one of them.

"You don't mind sharing, do you…?" I said, offering Jason the other straw.

"Not at all," he smiled, bending to suck on the straw, his face inches from mine, and we stared into each other's eyes.

"Oh my," I said, stroking his arm. "You're simply soaked with sweat! You should come in the house and… cool off."

"Oh, I don't think your mother would like that very much…" Jason replied, getting what I meant straight away.

"But my mother is out all morning… and most of the afternoon," and I sucked on the straw, fingering it suggestively.

"Well why didn't you say so?" Jason smirked. Excellent. He took me by the arm and together we walked back up to the lawn to the house. As soon as we reached the house, I pulled Jason to me and we kissed, his tongue snaking around my mouth. His cock grew hard and pressed urgently into my stomach as we stumbled across the room and fell into a couch.

Jason slipped my bikini straps from my shoulders and cupped both my breasts in his large hands, bending to lick and suck on my nipples, which grew stiff between his teeth. I ran my hands over his chest and he slipped further down until he was face to face with my pussy, with only my bikini and his lips between it and his tongue.

He pushed his nose into my crotch, breathing deeply and groaning – later he would confess a love of panty sniffing, which I thought was cute when I knew it was my panties he was sniffing and masturbating over. He lifted my bum up easily and slipped off my bikini bottoms like they were made of paper, drawing my pussy up into his face and licking me with the whole of his tongue from my hole to my

hood, spreading my labia wide open and curling the tip of his tongue into my tunnel. I had never been to bed with a man who so eagerly ate pussy, previously they had all been tentative with my pussy, a lick here, a flick there, and I liked that but this was something else. Jason's rough, hungry desire for eating me out was teasing my juices out at an incredible pace; I was soaking in pussy juice!

Being held up like that was becoming uncomfortable. So being the country girl that I am, I turned over and gave Jason the chance to get accustomed with all of me. Right on cue, Jason's rough tongue-loving found its way deep inside my hole, slavering its way up to my arse and burying its way right in. He had me so hot I just couldn't control my mouth. "Yeah, fucking lick my arsehole!" I cried out. "Stick your tongue right up me!"

Jason fucked my hole and my pussy with his tongue for what seemed like an eternity, spanking me for extra effect. But when he

finally introduced his fingers – Oh. My. God. First he spanked me roughly, cupping my cheek firmly, then he put three fingers in my gaping pussy and lifted me from my knees. He pulled his fingers out and I craved more. Down came his hand, slapping my butt, and in went his fingers. His thumb, meanwhile slipped round my cheek and dipped into my bumhole and with his other hand he stroked my cheek.

With his fingers and thumb still inside me, he climbed off the couch and stood beside my head. He had undone his trousers without me seeing and this thick, hard, twitching cock was right next to my face – what could a girl do but open her mouth for more filling?

"This is air tight. You ever been air tight before?" he said, running his hand through my hair. I tried to shake my head, which wasn't easy with six inches of dick inside your mouth.

"Nn, mm," I tried to say. I took his dick out of my mouth and opened it wide enough to get his balls inside, resting them on my tongue. Jason groaned and looked skyward.

"You like that?" I asked, taking his sack out of my mouth. "Come on and fuck me with this big dick of yours and I'll let you come all over me with these balls of yours nesting right here in this little mouth…" That was all the prompting he needed. He knelt behind me and slapped my bottom and pussy with his prick before plunging himself balls deep in my snatch

Holding me by my hips, Jason literally fucked me off the couch – with my forearms resting on the arm, Jason held me up off the cushions and pounded his fat cock into me, guiding me bodily onto and off of his shaft by hand. Such hot fucking always hits my spot and after a week of being home with nothing other than my own fingers to pleasure myself, Jason's dick had done for me. It was a good job there was nobody else at home because my cries would have had the whole house rushing to my side!

Once I'd come, Jason slid me off his pole and began to wank hard, grunting behind me as I rested before him, trying to get my breath back. The first I knew of his orgasm was when the first load of hot come splashed onto my back, the rest coating my still tingling pussy copiously.

Needless to say, I was in tears when I had to go back to college, and although my parents were rather surprised by my emotion, they had no idea who I was really going to miss…

While I love my job (working in sales for one of the country's largest telecommunications companies), there's one thing I don't look forward to – all the meetings the management insist on. These happen virtually every week, and never seem to achieve anything. Still, they do have one compensation – they're the only opportunity I get to see Mark, who works at a different office to me. He's a couple of years younger than me (so mid-20s) and as handsome as fuck. We've always flirted a bit, and after a lot of dithering I recently decided it was time we took things a bit further. My chance finally came last month…

As we sat through yet another pointless sales meeting, the only thing that kept me going was the occasional glance across at Mark, who I had the distinct feeling was undressing me with his eyes. By the time we got to the coffee break I was feeling so horny I thought 'Fuck it!' and made my intentions perfectly clear by slipping him my black lacy thong I had taken off in the toilet. You should have seen the look on his face; it was a picture! The meeting flew by from that moment on and afterwards he suggested I follow him in his car to a little spot he knew. Full of excitement, I tore off after him.

He pulled off the main road and took a winding lane until we reached a lay-by. It wasn't particularly discreet, but by this time I was so horny imagining what he was going to do to me I just didn't care if we were seen. Mark opened my car door, pulled me up out of the car and pinned me against the door, telling me I was a very naughty girl for taking off my panties.

After that little outburst of dominance, he kissed me gently. I could feel his tongue darting around, exploring my mouth – he was a great kisser! His hands ran down the front of my neck and he circled my tits with his fingers, then grabbed them hard, undoing my shirt to reveal my black lacy bra. Hitching up my skirt over my nakedness, he told me to turn round. Naughty Mark then decided he liked slapping my bare arse – it stung when he slapped across my arse cheeks but he seemed to be enjoying it so much the stinging sensation started to turn me on.

Again he told me that was for being so naughty, and then he guided my hand to his big hard cock that was throbbing against his trousers. Boy, it was so hard and so big I was nearly blushing, I fumbled with the zipper and pulled his pants down to reveal the biggest cock I had felt for quite some time. I turned and crouched in front of him, holding his cock in both hands. After staring at it, I took him gingerly into my mouth, tracing the tip of his cock with my tongue, circling its head as I took him between my lips, filling my mouth.

Sucking slowly, he stiffened even more in my hands – you boys will never know how good it feels to have a big hard cock in your

mouth… I stopped momentarily to run my tongue up and down the length of his big hard cock in between slipping him back into my mouth to suck him deeper and deeper. His hands moved to the back of my neck as

he fucked my mouth almost making me gag as I struggled to accommodate it at the back of my throat. As I tasted his pre-come I felt him pull out; he obviously wasn't ready to shoot his load yet, and he told me he wanted to fuck me as that's all he had been thinking about throughout that bloody meeting.

At this point I was getting very, very wet for him and I was loving every moment. Mark bent me over the bonnet of the car and told me to spread my legs wide. As I did, he lifted my hips and, instead of feeling his cock at my pussy I felt his mouth as he pulled my lips apart and started licking my clit. He pushed my lips even further apart and licked me from my bud all the way up to my arsehole. As I struggled to hold my position, I felt his tongue explore my pussy as he thumbed my arse. I wanted to come in his mouth but held back for fear of it being over. He placed his fingers deep inside my soaking wet hole and continued licking. In the end I just couldn't hold back any longer and came loudly, flooding his tongue with my sweet juices.

His cock was already more than ready to fuck me at that point and he wasted no time in plunging his huge dick deep inside me, and I instantly knew that multiple orgasms were on their way!

Before I could come again, though, Mark pulled out and told me to sit on the bonnet of my car, pushing me back so he could lift my legs over his shoulders. He guided his cock back in, teasing my clit with his fingers whilst watching his dick fill my pussy completely. I felt his attention go back to my arse as he put a finger inside my dirty hole, still fucking my pussy, fingering my butt with the same pounding rhythm. His self-control was amazing, and he managed to bring me to the peak of pleasure three or four times before his pace quickened and I knew he was ready to come.

"HIS COCK WAS MORE THAN READY TO FUCK ME, AND HE WASTED NO TIME IN PLUNGING HIS HUGE DICK INSIDE ME..."

After slamming into me furiously for 30 seconds or so, he pulled out as he lifted me up so I could take his dirty load in my mouth, which I eagerly swallowed. His come was thick and I had him come right onto my tongue as I made appreciative noises, taking it all down my throat when he had finished coming then milking out the last few drops.

After that we made our way back to my flat to carry things on in more comfort, and he treated me to three more loads of his hot come before he'd done with me. Needless to say, sales meetings have never been the same since and I look forward to them every week.

MAYFAIR

SHARON MACKINTOSH

We were positively deluged with mail after Sharon's last appearance in Vol 29 No 6. This lusty 19-year-old's love of long, hot sex sessions left our post-bag bulging with offers, or rather, offers of your bulges... One reader was literally rendered speechless by lovely Sharon's 36-24-35 figure; his letter had her name at the top but the rest was blank!

"I loved the letters!" cooed the bubbly blonde. "Some of them were so raunchy they really turned me on. One guy (he'll know who he is!) could certainly share my bed anytime. What he didn't suggest wouldn't be worth doing — including a few uses for a banana and a couple of apples I'd never thought of! A lover with a bit of imagination... perfect!" Ⓜ

MAYFAIR Classic

For those of you who know their onions, here's another prime slice of Joanie Allum glamour from back in the day – volume 29, in fact, which is a full 22 years ago now. And for those of you who aren't such connoisseurs of lenscraft, well Sharon's not bad, is she?! All in all that's what we call a win/win – and who knows, maybe Sharon's reappearance will prompt a few new letters...

Caprice Jane

MAYFAIR

Vol.51 No.12

On Sale Nov 11th

Well we don't like to think of ourselves as sly here at *Mayfair*, but we reckon keeping a newbie as stunning as Caprice Jane up our sleeves until issue 12 is pretty damned sly, don't you? Still, better late than never - and in fact what better time to unleash the blonde hottie than when the long evenings mean there's not much else to do with your time? Not that she's the only treat in store for next issue by any means. Ahem, check out Ree in that stunning see-through bodice, for starters!
